Study Visit
Report

Name of the Activity: Study Visit to Shivaji University, Kolhapur

Objective of the Activity:

- 1) To familiarize students with the functioning of Shivaji University.
- 2) To motivate students for further education
- 3) To inspire students to pursue higher studies and research in commerce and related fields.
- 4) To introduce students to the academic infrastructure and resources of Shivaji University.

On March 26th, 2025, the Commerce Department of Chandrabai-Shantappa Shendure College, Hupari, conducted a study visit to Shivaji University, Kolhapur, for its B.Com students. This educational initiative was organized under the guidance of Prin.Dr..V.V. Padalkar Sir and Prof. S.A. Bhandare, Head of the Commerce Department. The visit aimed to provide students with practical exposure to the academic and administrative environment of Shivaji University, a prestigious institution with which the college is affiliated, and to deepen their understanding of commerce-related concepts through real-world observation and interaction.

The visit commenced with a welcome session in the university's seminar hall. A senior official from Shivaji University addressed the group, providing an overview of the university's history, its academic programs, and its role as a hub of higher education in Maharashtra.

The visit to commerce and management department and administrative block allowed students to observe classrooms, faculty offices, and research facilities dedicated to commerce studies. A brief stop here provided insights into the operational aspects of the university, including examination and student support services.

From 12:00 PM to 1:00 PM, an interactive session was held with faculty from the Commerce and Management Department of Shivaji University. The session covered topics such as emerging trends in commerce, the role of technology in financial management, and career pathways in accounting, banking, and entrepreneurship. Students participated enthusiastically, posing questions and discussing their academic interest.

After lunch, the group visited the university's computer lab, where they were introduced to software tools like Tally and Excel, essential for commerce professionals. This practical demonstration highlighted the application of their coursework in real-world settings. The library revisit allowed students to explore specific commerce-related journals and digital resources. A total of 27 Students participated in this study visit. Students enjoyed this visit became fruitful for the students.
