Bridge Course
Report

A bridge course was conducted for students of sociology from **25 July 2025** to **29 July 2025** on behalf of the Department of Sociology. Students face some difficulties while entering the degree course after 12th, especially new subjects, differences in medium and difference in study methods. Therefore, the bridge course is very useful for students.

Objectives:

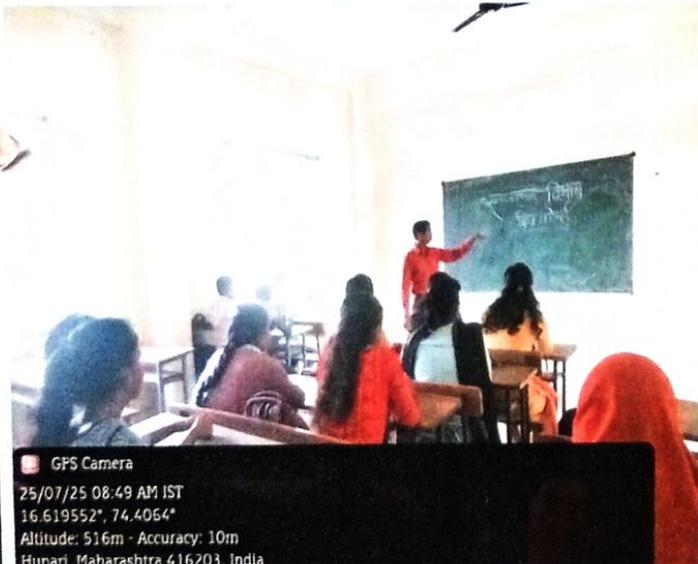

1. To introduce sociology
2. To explain the basic concepts of sociology
3. To increase communication between students and teachers.

Beneficiaries:

18

Outcome:

- Students developed a basic understanding of Sociology and its core concepts.
